

Get published. Share your research and analysis.

Want to publish results of your intelligence-related empirical research?
Tell the intelligence community about how you've applied a new analytical approach?

Or maybe just keep up with advances in intelligence analysis in the military, law enforcement, and criminal justice fields?

If so, the *Journal of Intelligence & Analysis* can help!

What is the *Journal of Intelligence & Analysis*?

The *JIA* is IALEIA's peer-reviewed, scholarly journal dedicated to advancing the intelligence analysis profession.

The *JIA* strives to bridge the gap between academic research and the practical techniques used by professional analysts, investigators, and policy-makers.

Want to Read the *JIA*?

View *JIA* abstracts on the IALEIA site:

ialeia.org > *Resources & Publications* > *JIA*

IALEIA members receive a printed copy of the *JIA*, and can access full text articles from the member site.

Another great reason to join IALEIA!

Want to Contribute to the *JIA*?

Scholarly research or best practice articles submitted for publication should be between 15 and 30 pages in length and must:

- adhere to American Psychological Association (6th Edition) standards
- be double-spaced with full justification in 12-point courier or times new roman font
- be written in American English
- include an abstract and an author's biography
